Discover the charm, wonder, and history of Santorini, one of the top destinations in the world with Marinakis Tours. Let Marinakis Tours which was founded in 2000 assist you in the most beautiful Santorini experience. Our staff can offer all essentials of the perfect holiday: exceptional value for money, destination knowledge and attention to detail. The agency generously provides pick up from and to your cruise ship, the airport or your hotel.

Let's get started!

Discover the wonders of Santorini (6 hours approx/ 40€ up to 5 persons)

Our journey begins from Fira or we may pick you up from your hotel or cruise ship and we stroll to discover the Caldera hidden gems and take pictures. Afterwards we proceed to visit the beautiful village of Firostefani and enjoy the caldera and admire the view of Thirassia, a beautiful island and debris of the old Santorini, the Volcano, the mountain Skaros which is protected by UNESCO and the numerous blue-roofed churches. The journey continues to Imerovigli where we can see and take pictures of the caves, the place where the old Habitants of the island used to live. Then, we head to the edge of Imerovigli to see the well-known Skaros, an UNESCO protected mountaint that really floats on the air and take pictures of the region. On the way to Oia, we can witness red, black and yellow volcanic lava on the left side of the mini bus. ON the right side we see the Caldera and the Aegean Sea and the second island volcano, Coloumbos, which is underwater. Visiting Oia, we see many old blue-roofed traditional churches, old houses, traditional coffee

shops, boutiques and art galleries and you get the chance to try a bite of the traditional greek baklava as you drink your coffee. We head to the Old Venetian Castle which is located on the edge of the island to admire the beautiful view of Oia and take some time to visit the local shops (optional choice). We head to the southern part of the island to see the following

villages and the island's highest point, where the Prophet Elias Monastery is perched at almost 2,000 feet (600 m) and enjoy the scenic view of the island and take photos for about 15'. Then we head to the village of Pargos where we will take a stroll to see the blue-roofed churches, the caves and the Venetian castle for many amazing photos for about 30'. Then we visit Santo Wine a traditional Santorini winery and grasp the opportunity to sample the local wine. Afterwards we head to Acrotiri, a traditional village of 150 people where the well-known Red beach and the archaiological city are located (the archaiological sightseeing is optional). Then we head to Perissa, the most beautiful Black Beach in Europe and take a stop for some coffee,greek lunch or a snack and swimming. After this marvellous tour, we get you back to your hotel or destination of choice.
